COACH MCLELLAN'S COMMENTS ON HIS TEAM:

After a disappointing loss to Vassar, we battled back to have a very successful season.

Our team was made up of two good classes whose talents complimented each other.

The team's best quality was their desire to play excellent football and compete with the best. It has been very gratifying to work with the caliber of student-athlete we have had. The team's successes made the fall a fun time.

The most rewarding thing that happened was winning the Thumb B Championship after an early season loss to Vassar. Fighting the rest of the year to make the play-offs and succeeding was also very satisfying.

Lakers Are League Champs!

COACH BEACHY'S COMMENTS ON HIS TEAM:

It is my opinion that this team came closer to maximizing their potential than any team since I've been coaching. This Senior Class of girls showed great leadership throughout the season. This group would not play to the level of their competition but would play to the best of their abilities. To be successful you must do this.

It was a pleasure to work with goal oriented individuals. Beating North Branch on their home court to share the Conference title was the most rewarding thing that happened this season.

COACH GUENTHER'S COMMENTS ON HIS TEAM:

The team did well for the experience they had. It was a young team but should really go places next year. It was a close knit group that had fun being together. They had all underclassmen and will be returning next year. (Coaching golf is) lots of fun, (there is) little pressure to perform — an enjoyable sport for high schoolers. The most rewarding thing that happened was beating Cass City on their home course.

COACH MCLELLAN'S COMMENTS ON HIS TEAM:

We had an excellent season with an 18-3 record. The team Practiced very hard and prepared themselves to be winners.

The team's best quality was that they were willing to work hard and play as a team no matter who was on the floor.

Coaching this team was very demanding but also very exciting and satisfying during the regular season with tournament time adding even more.

The overall team success throughout the year was the most rewarding thing that happened.

Lakers Are Thumb B Champs!

COACH ROTHFUSS'S COMMENTS ON HER TEAM:
The team this season was excellent!! They were a hardworking group — very determined, very talented; worked well together.

The team's best quality was teamwork. The ability to rely on everyone, not just one or two individuals. Coaching this particular sport was very challenging.

The most rewarding thing that happened was winning the Delta Open — this win really showed our true ability!

The Laker Wrestling team had no dual meets this year due to the lack of participation. However, they went to various tournaments throughout the season.

COACH MCARDLE'S COMMENTS ON HIS TEAM: The team did very well for the number of people that were on the team. The upperclassmen showed good leadership in helping teach the rookies. The team had good self-esteem and good determination. The most rewarding thing was to be respected by the parents of the wrestlers, respected by other wrestling coaches, and wrestlers from other teams.

COACH BEACHY'S COMMENTS ON HIS TEAM:

Individually the season was a success for many of our athletes. As far as team accomplishments it was disappointing. It was a very young team which should be greatly improved next year. The team was strong in field events and a good distance crew is coming back. I love coaching the sport but could do without the meet entry forms. It's a joy to see athletes striving for a goal. Whether they reach the goal or not there is great satisfaction in knowing they gave it their best shot.

Third row; Marilyn Kranz, Jackie Ginter, Renée Bushey, Tricia Kauffman, Brenda Buschlen, Tracie Henne, Brenda Schulze, Marcy Eisinger, Lynn Roestel, Jill Gardy.

COACH MURPHY'S COMMENTS ON HIS TEAM:

We had a very successful season, including a first place at the Capac Relays and a second place finish at the League meet. (The girls were) Very willing to work and concerned about how the team as a whole did. The team's best quality was their spirit and willingness to try new events. The most rewarding thing was seeing the girls win their letters, pins, awards and medals.

COACH PAULY'S COMMENTS ON HIS TEAM:

The team had a great season. We were 9-1 in dual competition. We won two invitationals and we won the regionals which qualified us for the state finals. This was a good group of athletes who enjoyed playing tennis. Most players on this team were veteran players. Most have played varsity tennis for 2 or 3 years. I thoroughly enjoy coaching tennis. We have great facilities and usually the weather helps to make it a fun season. We accomplished our goal of winning the regional and qualifying for the State Finals.

COACH MCLELLAN'S COMMENTS ON HIS TEAM:

Record wise — we did very poorly; competition wise however, we improved. We had no senior players but improved steadily throughout the season. The team's best quality was that we are very young (3 Freshman — 4 Sophomores) and will improve a great deal. I've coached baseball for 16 years and enjoyed every season. We kept a good attitude even though we lost a lot of games.

J.V. Football

COACH LePAGE'S COMMENTS ON HIS TEAM:

The team did extremely well. It had very little experience, (6 boys who played 1 year ago).

The boys worked hard and progressed with each game. They just didn't talk about winning. They just went out and did that.

The team's best quality was their dedication to

succeed.

I take pride in seeing boys on the freshman and sophomore levels learn and execute and then become members of the varsity team.

The most rewarding part of the season was watching a very green team turn into a pretty good team as the season progressed.

COACH MURPHY'S WORDS ON HIS TEAM:

For having mostly inexperienced sophomores and a lot of freshmen I was very pleased with their play and attitude. They were very young but listened well, accepted criticism and instruction and worked hard. There was a lot of team unity.

The team's best quality was their desire to be better. It was a real pleasure to coach them and I enjoyed it tremendously. The most rewarding thing that happened was beating North Branch to stop their 34 game win streak and tying for the league title.

COACH GARDY'S COMMENTS ON HIS TEAM:

We responded well to all situations in our season. (Good or bad) This team was one of the most enjoyable groups of young men I've had an opportunity to coach at Laker High. The team's best quality was the willness to prepare for the

future. Preparing to be a good team two years from now. Also rebounding was a good quality.

I like being the J.V. basketball coach. The most rewarding thing is seeing all the progress some kids can make in a few months time.

COACH PRYOR'S COMMENTS ON HIS TEAM:

Only winning one game doesn't say much but they played against older kids and didn't have much time to get ready. I think they did a good job. The team's best quality was working together and putting up with an inexperienced coach. I play a lot of baseball but don't know a lot about coaching it. I hope to learn more about coaching; I like the sport and enjoy working with the kids. The most rewarding thing that happened was winning the game against Marlette.

COACH TYLER'S COMMENTS ON HIS TEAM.

We got off to a good start of 4-2 in the league; then we had 4 starters hurt and 2 moved to Varsity. Without these problems we would have had an exceptional year. If this team stays together they will be a team to deal with in 2 years. The team's best quality was their ability to adjust to injuries and the willingness to play whatever position I asked them to play. I love coaching this sport; I just wish the weather and field conditions were a little better. The most rewarding thing was seeing how each person developed skill at their position as the year went on. They started to play much better defense.

COACH LEIPPRANDT'S COMMENTS ON HIS TEAM:

I was very pleased with our season this year. We finished with a record of 14 wins and 6 loses. I am very proud of the teams efforts. The teams best quality was they never gave up. Basketball is a great sport to coach because it offers never

excitement.

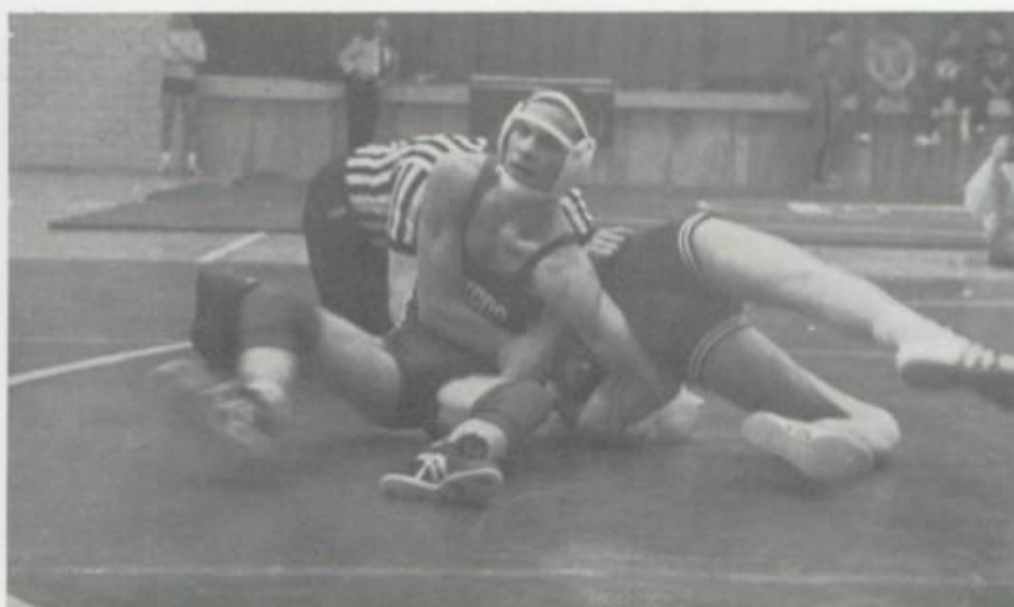

The most rewarding thing was the last game of the season, we played Caro and won 49 to 48. Earlier in the season Caro beat quite easily and they were the top team in the league. The guys played with their hearts and pulled off the most exciting win I ever had as a coach.

ORGANIZATIONS

Student Council

The students of Laker High School formed an elected Council that approves the rules of the school, provides social activities and public service projects. In addition to Homecoming and Coming Home Spirit Weeks, the Student Council hosted "game nights", dances, lunch break activities. Members of the Council participated in several school exchange days and attended a two day leadership training trip to Grayling. They also participated in state-wide leadership training programs.

SADD students worked very hard this year in a Peer Resistance Training Program for elementary youngsters.

The training program involved teaching young people to recognize different types of peer pressure and how to say no to people who want to pressure them into unacceptable behavior.

The SADD students sent Christmas greetings and awareness booklets home to all 9-12 students and their parents.

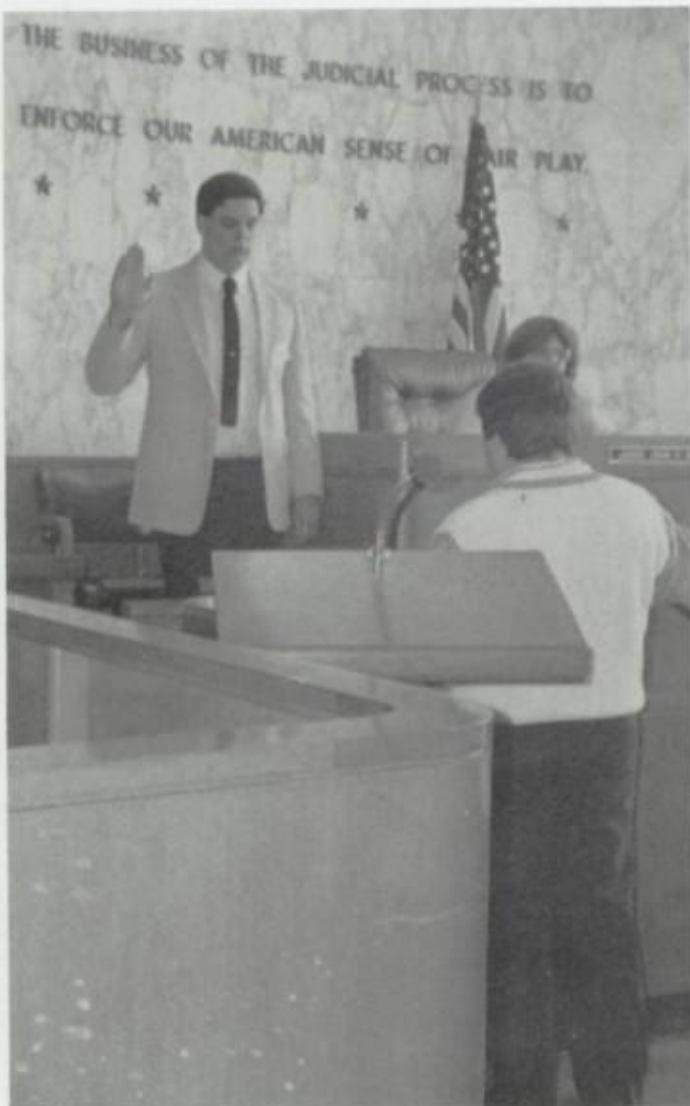

Project Graduation was the group's final project of the year. The SADD members hosted a Senior Breakfast, introduced Project Graduation and presented a media program on drinking and driving.

Mock Trial

Front row: Marcy Eisinger, Miss D, Malisa Burkeen (with gun)
Back row: Brian Swartzendruber, Dave Soper, Carl Heiden, Chad Daniels, Matt Shelton

The scene: Rick's Thunder Bay Cafe — Statesville, Michigan, a little after 11 p.m. The crime: the murder of Barney Quill. The suspect: Dannie McGrew. The question for the jury at the time of trial: Did Dannie McGrew act in self-defense when she murdered Barney Quill? Eight Laker students traveled to Detroit to try this case before city area judges and attorneys. All team members earned points for the team as they portrayed their respective roles as attorneys, prosecutors, defendant, and witnesses.

At the April 16 tournament, the Laker team won all of their cases which earned them a first place ribbon and a fifth place standing out of 36 schools. The achievement was the best effort yet of the four years Lakers has participated in the program sponsored by University of Detroit Law School and Michigan Law-Related Education Project.

Debate

Laker Debate 88' . . . The Laker Debate Team consisted of Jody Herford, Anasuya Kamlapurker, Phil Schember, and John English. The Lakers debated in the Thumb B debate league at Frankenmuth. Even though the record was not outstanding, much was learned by each team member. Things look fine in '89!

BOEC

Due to the same accident in the darkroom, pictures are unavailable for BOEC.

The BOEC is made up of students interested in business classes who like to compete in all business areas. This year we competed at regionals and placed in accounting and typing. We also competed at state level and placed 4th, 5th, and 7th in accounting and typing out of 2,300 students from all over the state.

Forensics

The Laker Forensics team chalked up another successful year of competition in 1988, beginning with a second place finish at the Laker season opener and a second place finish at the Midland Chemic Classic and a third place team trophy at the Freeland Falcon Invitational. The Lakers also competed at Beaverton, Canton-Salem and Stevenson High School this year. The Lakers

qualified eight events for regionals and five events for the State finals at U. of M. Leading the Lakers this year was Paul Hatlas winning both the Speaker of the Year trophy and the Senior Speaker of the Year trophy. With over thirty students returning next year the Lakers should be tough!

Yearbook Staff

Volume 28 of the LHS Lakonia was published by the yearbook staff. The book was printed in Clarksville, Tennessee, by Jostens Printing and Publishing Division.

Under the "Venture" program, we are allowed 128 pages to record the happenings of the students throughout the school year. This year all 128 pages were used, 121 of which were designed (called layouts) by the staff. The type style is Century Schoolbook; the headlines are Optima Bold.

The core of the staff this year has been: Amy Csanyi, Patty Kempisty, Paula Klosowski, and Carmen Mascarro. Amy and Paula did most of the prints; Patty and Carmen tried their hands at it at the end of the school year. (They did quite well, too.) Layouts were designed by Carmen, Patty, Amy, and

Paula. Copy was written by Patty and Carmen. Ad space was sold by Patty, Carmen, Amy, and Paula. We had some help through the year from Missy Mascarro, Missy Forester, and Jody Herford.

Special thanks to Rich Swartzendruber and Amy Heiden at the Progress Advance and Ken Drake, our Jostens' rep. Also thanks to the teachers for understanding during deadlines and special photo sessions.

Sophomore Representatives: Malissa LaBelle and Tim Voss

Freshman Representatives: Andrea McIlhargie and Briam Keim

HOMEcomings — It started out with a week full of dress-up days which were: Monday — pyjama and stuffed animal day, Tuesday — Halloween costum day, Wednesday — role reversal day, Thursday — gangster day, and Friday — Green and White day. Tuesday was a victorious day for the Seniors when the girls went undefeated another year in the powerpuff football game. Senior guys came away with a victory as they beat the Juniors in a game of hard smashing volleyball. The class of '88' won the float competition (again) with their version of the game show "Don't Press Your Luck". They also won the hall competition with the awesome interpretation of the song "Wipe Out". On Friday, everyone piled into the gym for an exciting two hour pep assembly containing a dance and skit by the cheerleaders, pep talks and mock rock performed by the Girl's basketball team and the Boys' football team. After King Jeff's crowning, he was serenaded by the cheerleaders. At the game that night, everyone was excited and ready for a victory over the Bad Axe Hacthes. The success came with the score of 33-13. Cheers rang out with the crowning of Carleen as Homecoming Queen 1987.

Prom Night 1988

Name: Sabine Monique Lammens
Address: Wijnendaleststionstraat 4
8100 Torhout, Belgium
Rotary Exchange Student from August 1987 until
July 1988

I arrived here August 22, 1987 and I went back August 7, 1988. During this year period I lived through an important part of my life that will always be in my memory. Laker High School contributed a lot to these memories.

I'll remember your school as a cute little building surrounded by farmland.

I'll remember my first two weeks. Everything was exciting and new. I had a real American locker of which I kept forgetting the locker combination. I didn't have to wear a uniform, teachers and students acted like old fellows and Mr. Ballard regulated traffic in the halls.

I'll remember Christmas. The Student Council did a great job trying to put the Christmas atmosphere in the school.

I'll remember Washington D.C. Thanks Junior High for inviting me to come along, I had a great time.

I'll remember the prom, the last school day, graduation and the many faces that made this school.

Thanks a million, Lakers, you're number one to me. I hope to come back some day.

Memories Of Laker High

We remember all days on Graduation Day: Pigeon Elementary lunch quizzes ... the Washington D.C. trip ... Knowing it was spring because the "marble mats" were out ... waiting for the bus in sixth grade in the winter time and not being as tall as the snow drifts ... the candy bar mystery ... Four Square ... Mr. Lang's science displays ... Mr. Love's door hinges.

Being Seniors ... saying "good-bye" to old friends ... "Franbo" ... the June Bug incident ... taping Kevin Wissner with athletic tape ... missing the Tart Cart ... Roller Coaster Road ... "MASK" ...

wrestling with our lockers ... Mr. Rees' jokes ... Stephanie's snorts ... Tammy's sneezes ... Prom '87 ... shopping adventures ... the Mafia prank ... little walks through the halls with Mrs. H. ... Mrs. L's cards ... driving through the flood ... TP'ing ... Mr. McLellan's hook shots ... Coach Grady's "bench kick" ... Prom '88 ... Mr. Anthes' antics ... Commando Sisters and one Brother ... "Red Elephant" night ... Paul's "The Black Cat" ... Thunder Chicken ... "You're busted!" ... laughing together ... heartaches ...

Brian's ruthless eraser ... deciding a major ... working up the ladder from the very bottom rung.

"Welcome to Laker Country!" ... the Armada game ... having a project in the art show ... ag trips to M.S.U. ... Spirit posters in the gym ... tearing them down ... "Alice in Wonderland" ... talking sports with friends ... Spirit Week ... Laker fans ... Homecoming '88 ... tennis matches ... hurdling ... winning ... losing ... forensics 1-100's ... cheering ... volleyball ... dunking ... playing football in the snow ... cheering ... girls' basketball ... letters, pins and medals ... Lakers — a class act!
